Report on

**One Day National Workshop on Intellectual Property Rights-
2021-2022**

Objectives of Programme:

- To create awareness about the benefits of Intellectual property among the Teachers & students.
- To disseminate knowledge on patents, patent regime in India and registration aspects
- To encourage faculty members and scholars to go for patentable works

Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time. The main purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. So the knowledge of IPR is very essential for the future prospective.

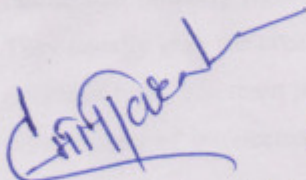

In view of this, IQAC of Shri Pundlik Maharaj Mahavidyalaya, Nandura has organized One Day National Workshop on IPR on 30th November 2021 via zoom platform. Dr. Rajesh Gacche, Professor, Department of Biotechnology, Savitribai Phule Pune University, Pune, was invited as resource person. He elaborated most of the concepts related to IPR with special emphasize on;

- Copyright
- Related Rights
- Patent
- Industrial Design
- Trademark

- Geographical Indication
- Trade secret
- The protection of plant varieties and farmers' rights

Over 114 participants attended the Workshop through online mode on zoom platform. The program was also streamed on Youtube. Resource Person & Participants were welcomed by organising secretary of the programme Prof. Shantaram Bhoye at 12.00 pm, followed by the Introductory remark about workshop given by Convener of the workshop and IQAC Co-ordinator Dr. Smita Tarale. In her remarks, she emphasized on the importance of IPR and its relevance in these times and its necessity for the advancement in research and development in India.

Prof. Supriya Gedam introduced the resource person. Principal Dr. Alka Mankar extended warm welcome and thanked resource person and participants for their participation. In her presidential address, she highlighted the significance of securing the intellectual property and making maximum use of available resources for better research outcome. The Workshop was highly informative for students, teachers and research scholars.
