## **Vision of Institute**

“To impart high quality and equal education to rural students producing socially responsible good citizens striving for nation development.”

Vision of Institute focuses on three aspects essentially as ..

- 1) High Quality Education
- 2) Equal Education &
- 3) Nation Development by serving the students from all section of the society by making quality higher education accessible and affordable in this area

### **1) Overall Development of Student**

As the Institute is located in rural areas so admitted students lack in confidence, communication skill and leadership qualities so every department nurtured the dreams of all round excellence in education through various departmental activities. Teachers motivate the students for participation at regional, state level activities conducted by other Institutes.

### **2) Social values and National Consciousness**

Institute inculcates civic responsibilities in students like honesty, respects and concern for others. Students and staff celebrate National festivals like Independence Day, Republic Day, National youth Day, and Birth and Death anniversaries of great people.
