

Shri Pundlik Maharaj Mahavidyalaya, Nandura Media Centre

The institute tirelessly motivate teachers to increase the use of ICT tools in teaching-learning. Keeping this in mind the institute has invested sizable amount on raising the required facilities for enhancing the e-learning of our students. The teachers, along with conventional classroom teaching make use of these facilities for improving their teaching methods.

Following facilities are available with the Media centre.

Sr. No.	Facility	Use
1	A handy-cam recorder	To record videos
2	Digital camera	For making images (soft copies)
3	Audio system	To deliver lectures
4	LCD projectors	For Power-Point presentation
5	Web-cams	For online interactions
6	Interactive board	For delivering the lectures in smart way
7	Computers	Processing of e-lectures and providing interface
