

About Society:

The Shri Shivaji Education Society, Amravati a venture established with the aim of providing a high-quality education to the downtrodden and last person of society through catering unbiased and conducive learning environment. It is a premier educational institution of Central India with branches in all the districts of Vidarbha in Maharashtra. Its founder President was the late Dr. Panjabrao alias Bhausaheb Deshmukh, one of the greatest educationists, agriculturist and reformist who established this society in 1931 with a single school which has expanded today into various schools, colleges, hostels and other teaching and technical institutions. The Govt. of Maharashtra awarded the "Dr. Babasaheb Ambedkar Dalit Mitra Award" in the year 1993-94 to the society. The Society was awarded by the Gadge Maharaj Memorial Award in the year 1999-2000. The Govt. of Maharashtra declared Shri. Shivaji Education Society as the best administered Society in the State on 5th Sept 2000.

About College:

The institute was established in 1983, with very meagre facilities and manpower. The Institute has a clear vision and mission for achieving excellence in the field of education. The dedication of our society has fruition today into a centre of knowledge with education in all the three faculties viz, Arts, Commerce and Science. Recently the institute has started three vocational courses in Agriculture, Food Processing and Automobile

Dear colleagues,

We are pleased to announce that Shri Pundlik Maharaj Mahavidyalaya, Nandura is organizing a 'National Multidisciplinary Conference on Sustainable Development (NMCSD-2022)' on **07/03/2022**. You all are invited to participate and submit your full length articles to this conference as we are planning to publish the accepted articles in an **UGC Care Listed (Group II) Journal having Impact Factor 6.1**

About conference:

Cumulative efforts of experts from different fields such as sciences, commerce and humanities could lead to solutions of most of the issues. The current crisis in industrial, agricultural, health and service sector due to the pandemic and environmental problem like global warming has created an alarming situation for experts and policy makers in all the fields. This gathering of experts from different fields is intended to provide a platform for deliberations, discussions and exchange of ideas for the sustainable development.
