Institutional SWOC Analysis

Strengths:

- The institute has a healthy academic environment and motivated, young and dynamic teaching staff.
- A green campus with environment friendly initiatives and conducive for education.
- The institute is well connected by roads and rails.
- The institute has well equipped laboratories for each course.
- Advanced ICT tools are available for effective teaching-learning process
- Continuous motivation and support for entrepreneurial activities.
- Highly focused to overall development of students through effective mentoring, co-curricular and extra-curricular activities.

Weaknesses:

- Located in rural and industrially underdeveloped region.
- Relatively less progression of students to higher studies and entrepreneurship due to their economic and social family background.
- Lack of postgraduate programs.
- Limited freedom of syllabi designing and revising course curriculum.
- Lack of communication skills in students.

Opportunities:

- Postgraduate programs can be introduced in Arts, Commerce and Sciences.
- An opportunity for conducting agriculture-based research leading more lab to land technologies.
- Faculty and student exchange programmes with the reputed Universities and Institutes.
- Offering a greater number of vocational trainings and internships to students leading to improved employability and entrepreneurship qualities in students.

Challenges:

- To reduce student dropout rate.
- To get linked with industries.
- To introduce industry-oriented programs
